Hardeep Singh Puri said that his Ministry will send a team to the Union Territory to find the reasons of short comings and steps needed to be taken to give pace to the Smart City Project.

Addressing a function during launch of alternative

to Plastic bags, organised by Jammu Municipal Corporation (JMC) here today, the Lt Governor said that despite getting Rs seven crores more, the Jammu Smart City works have not been done to that extent as were expected in comparison to Srinagar city.

"Some people have got stay from court. If impedi-

ments will be created how development can take place? For the development of the city we have to come out of this mindset and seriously think over this issue," he said.

Sinha said if people will not come forward and cooperate, the Government will not be able to do the required developmental works. He made an appeal to people of Jammu to come forward and make the Smart City Project launched by Government a success.

"At administrative level, we are trying our best to convince such people but public
