

The Shri Ram Universal School emerges as a model of excellence imparting 21st century holistic education to children

JAMMU: The Shri Ram Universal School (TSUS), Samba is a CBSE affiliated, child-centric, value-driven, co-educational, Senior Secondary school. In a short span of four years, it has emerged itself into a trendsetter, a model of excellence imparting 21st century holistic education to children on its rolls.

On the grant of Senior Secondary affiliation to The Shri Ram Universal School, Jammu, Jakh, Vijaypur, Samba, Jammu division; the Editorial Team (ET) interviewed Principal of The Shri Ram Universal School, Samba. Here are the excerpts of the meaningful transaction between the members of ET and the Principal:

ET: Which features of the Institution do you admire the most?
Principal: The Shri Ram Universal School, Jammu is one of the finest Institutions in the UT of J&K. Its infrastructure is an architectural marvel. Classrooms are quite spacious, well lit, equipped with well-designed soft boards & storage shelves. Since TSUSJ emphasizes on the holistic grooming of every child, so we have hand-picked, talented teachers in our Art, craft, Music, Dance & Sports faculties. Here merely being a scholar is not eye-catching but when a scholar plays guitar/drum/keyboard or shakes legs on a dance style, like, contemporary/hiphop/ break/Bhangra or sings a western song or presents a soulful rendition of a classical number or refutes the ideas of an opponent on a debating platform or makes the audience burst into peals of laughter during a comic skit or makes the audience sob during a poignant scene

of a tragic play, that catches the fancy of the gallery of spectators. We keep raising the bar.

ET: Kindly throw some light on the "vision and support" you continuously receive from Shri Educare Limited (SEL), Gurugram.
Principal: The Shri Ram Universal Schools group Delhi is indeed one of the most professionally managed educational groups of the country and I strongly vouch for it. Hand holding of teachers is commendable. For every subject & level, there is a Subject Mentor, based at Shri Ram Educare Ltd, Gurugram. Mentors are like friend, philosopher & guide to teachers in letter & spirit. Clarification to any doubt of a teacher is merely a call or a message away. The patience and promptness of Mentors deserve a special mention & repeated rounds of applause. We are truly fortunate.

ET: What would be your ideal school environment and how would you encourage that kind of culture?
Principal: An ideal school environment ensures a holistic growth profile to every student.

Atmia Education Providing Study Abroad Opportunities For Medical Education Aspirants

JAMMU: As an internationally acclaimed educational institution having campuses in several countries, Atmia Education continues to give students a golden opportunity for Medical Education abroad.

During the launch of professional educational courses Harvinder Pal Singh, incharge of Jammu Branch, said that Atmia Education has collaborated medical education to the students in foreign countries like US, U.K, Australia, Canada, Georgia, Philippines and many other countries to open up opportunities for Indian students to study abroad. Students can study MBBS and MD abroad through our institutions in these countries or any other countries of their choice across the globe. He said that in this age of high inflation and sky rocketing prices including fee structures, Atmia Education is the only viable option who offers study abroad at an affordable price specially for middle class Indian families.

In addition to MBBS and MD, Atmia Education also offers courses like BBA, MBA, Nursing, Technicians, and STEMs. We will be also offering up coming courses of American MD Programme, BBA Specialization Business & Data Analytics Course Type: Bachelor (European Qualifications Level 6) and MBA (all specialisations)

Incharge of Jammu Branch speaking about the opportunity also shared that along with affordable fee structure, Atmia Education offers free of cost IELTS registration. "We provide parents with the option of paying semester-by-semester rather than yearly, which makes it much easier for them to pay," he stated. Qualifying NEET is the first and foremost prerequisite for admission to our colleges.

Harvinder Pal Singh said, "We are not agents of any educational society or trust but Atmia Education has its own infrastructure of Rs.200 crores including institutions, medical colleges, hospitals and hostels in the aforesaid nations.

With Atmia Education, students are not only supports with affordable fees and academic support, but also with safety and well-being. "We believe in Home Away From Home for Students by offering safe stay in our comfortable hostels. We also provide Indian food with veg and non-veg options cooked by our own Indian chefs with different menu everyday throughout the week.

Mr. Singh shared that currently 5500 students are benefiting from studying abroad with Atmia Education programs and this number is going up year after year. We, at Atmia Education are dedicated to offering our deepest support to parents and youth of Jammu so that their dreams can get wings to fly high and succeed in life.

Mr. Singh congratulates the ATMIA students and parents, once again for achieving 82.50% in the FMGE 2022, an impressive ratio of highest score in the MCI Screening test".

Unique International Public School committed to prepare child to achieve excellence in academics

JAMMU: Unique International Public School 10+2 affiliated to CBSE New Delhi was established as a primary school with a vision to impart value education to the young minds. It was an endeavour to prepare the child to achieve excellence in academics, have religious tolerance and global vision by providing them pleasing and congenial environment.

The Unique International Public School is an amalgamation of dedicated CBSE experienced faculty, with ideally developed infrastructure and benevolent administration to cater to the needs of society. Our concerted effort is to bring out the latent talent of the young scholars and infuse a quest for achieving excellence. Apart from academics we encourage, co-curricular activities, games and sports, participation in national and religious festivals, skill development, awareness about health and hygiene, environment protection and conservation of natural resources through varied projects and activities.

With the passage of time, the school scaled the heights to reach the Sr. Secondary Standard to realise the dream of stimulating creativity, innovation and determination in the budding flowers, who would become good citizens and in turn contribute their best to the welfare of community and development of the Nation.

During this journey of more than twenty-five years, the Uniquians have achieved excellence in the field of academics, games & sports and co-curricular activities. The Uniquian gems attained distinctions and positions in Board exams in different classes. The shining stars of UIPS have been awarded medals & trophies in State & National level competitions, and in other activities, they received certificates and laurels from various govt. and social organizations. The awards have

been distributed among the Uniquian gems by the Hon'ble Chief Minister, Deputy CM and State Ministers.

Apart from this, the distinguished performers have been honoured by the IAS and IPS Officers and many other eminent personalities of social organizations. Students of this school have qualified IAS, KAS examinations and even grabbed high posts in various departments of the government institutions.

OUR MISSION
 The mission of this Institution is to develop young men and women with active and creative minds, people with sense of understanding and compassion for others. Unique International Public School gives stress on the total development of each child i.e., spiritual, moral, intellectual, social, emotional and physical. This institution attempts to provide such an extraordinary environment for learning, bonding for all round progress that will help to create world class future citizens.

OUR VISION
 Unique International Public School envisions a holistic approach towards individuals with independent thinking, free from any kind of social, religious and political inhibition. Inclusion of moral values at the impressionistic age in school is being cherished to produce future citizens with human heart, kindness and empathy. The Uniquians have the vision to nurture a sustainable world based on care and compassion.

V-Brand -A renowned name in manufacturing highest FMCG quality products ❖ Gets Big Impact Award in FMCG category

JAMMU: V-Brand, a renowned name in manufacturing the highest quality products, has conferred Big Impact Award in FMCG category in a function held at Hotel Hari Niwas in Jammu.

The award was received by Vinod Grover, Managing Director V Brand, Dr. Jitendra Singh, Minister of State (Independent Charge) of Earth Sciences, MoS (Independent Charge) of Science & Technology, MoS PMO and MoS of

Personnel, Public Grievance in presence of prominent people of Jammu.

Vinod Grover expressed gratitude to the people of Jammu and Kashmir for accepting and making the V Brand a fastest growing FMCG brand in the Union Territory.

"Established in 1995 by Vinod Grover with just eight skilled and un-skilled employees, V Brand had now a family of about eighty members at different sections. So is the production which begin with just two hundred tin of mustard oil per day has now gone to two thousand tins per day and the demand for V brand oil is on the rise with every coming day. V Brand is a name dedicated to quality at reasonable price. Gives priority to the health of the customers and makes no compromise," Grover said.

Today V Brand is exporting to more than 5 countries abroad and have established 2 units in Rajasthan to capture and enter the markets of other states as well, making it a national brand. The V-Brand has approved by Ministry of Rural Development, Directorate of Marketing and Inspection, Government of India (AGMARK). ISO 22000:2005 certified unit registered license under Food and Safety Standard Act 206 (Central Authority) Government of India FSSAI.

"All the machinery being used is indigenous. Local youth is given priority for employment. Un-skilled local youth is put under training and then are given preference in employment. V brand is not only dedicated to premium quality with perfection but also the health of the customers and helping employment," Grover said.
