Water shortage in Kuleed

A couple of days back residents of Bun Kuleed lodged protest against authorities of Jal Shakti Department for their failure to provide regular drinking water to them. Large number of people including women carrying empty buckets lodged protest. Raising slogans against the authorities they alleged that the area was having a dedicated water pipe line for this village but, unfortunately, field staff of department has diverted the said pipe line to some other areas and are continuously giving fresh/illegal connections to selective persons from the said pipe line which is already overloaded. As a result, residents are facing drinking water shortage since long. Though matter was brought in the knowledge of concerned officers a number of times but they did not resolve the matter, hence people are suffering acute shortage of water. J&K Bank ATM for "Nav Deviyaan"

The much popular and unique " Nav Deviyaan" Asthan on the bank of "Pei Nallah" about 3-4 Kms ahead of famous Aghar Jitto village on the left shore of Katra- Reasi road sans J&K Bank ATM facility. The naturally carved cave Ashtan attracts large number of pilgrim- visitors daily from all around. Among those especially are included Shri Mata Vaishno Devi Ji Cave Shrine pilgrims in huge numbers.

They visit this road side sacred spot easily and pay their obeisance here. Being a frequent visitor of this spot I have always felt that the pilgrim visitors here face much inconvenience due to the non-availability of an ATM of J&K Bank. Apart from the out sider pilgrim-visitors, the locals around too aspire for the J&K Bank ATM facility here. The surrounding locality is also populated and deserves the provision. Hence the of the Bank are requested to look into the issue.

tion of drinking water supply in sub lane locality of Jawahar Nagar Talab Tillo.

It's a sorry state of affair that the concerned officers are least concerned to look into the grievances of the residents with the result. The residents face acute water shortage and depend on the private tankers supplying water.

The water bills are being paid on time but the Jal Shakti Department has failed to redress the problems.

The officers of Jal Shakti Department are requested to awake from deep slumber and look into the grievance of sub lane Talab Tillo whose only fault is that they are residing at the tail end.

The residents faced the same situation last year but were assured that a new pipe will be laid to overcome the difficulties. But no steps have been taken to redress the situation. It is therefore once again requested to look into the matter
