

FIR against Editors Guild members for report on media coverage of violence: Manipur CM

IMPHAL, Sept 4: Manipur Chief Minister N Biren Singh on Monday said that a police case has been filed on the basis of a complaint against the president and three members of the Editors Guild of India (EGI) for a report critiquing media coverage out of Manipur, and accused them of trying to "provoke clashes" in the state.

The Editors Guild in a report published Saturday had slammed the internet ban in the state as being detrimental to media reportage, criticised what it termed as one-sided reporting by some media outlets and claimed there were indications that the state leadership "had turned partisan" during the conflict period.

The Press Club of India joined a number of bodies in condemning the filing of the case against the EGI fact finding team and termed it as "a strong arm tactic by the state government which amounts to intimidation of the apex media body of the country".

Singh claimed at a press conference here that at a time when many have been killed

and left homeless, the EGI published a "totally one-sided" report without understanding the complexity of the crisis faced by Manipur, the background and the history of the state.

"The state government has filed an FIR against the members of the Editors Guild who are trying to create more clashes in the state of Manipur," Singh told a press conference.

The initial complaint, a copy of which is with PTI, was filed by a Ngangom Sarat Singh, a retired engineer who had worked for the state government.

Besides EGI President Seema Mustafa, those who were booked were senior journalists - Seema Guha, Bharat Bhushan and Sanjay Kapoor - who visited the state between August 7 and 10 to study media reportage on the ethnic violence.(PTI)
